ACCEPTANCE LETTER FOR INTERNSHIP

Dear Ms. Rajalakshmi,

With respect to your interest and recommendation of Dr. Sridhar Padmanaban, I am hereby accepting your proposal for internship in my group for a period of 1 month (29th May to 29th June, 2024). The tentative title of the project is “Application of MOF incorporated Mixed Matrix Media for remediation of micropollutants from wastewater”. It can be changed depending upon your field of interest.

Please note that during the internship program you will be provided with a workbench, however, you have to arrange your accommodation, transportation, medical facility and food on your own accord.

You can book IITM hostel facility using the link, <https://hosteldine.iitm.ac.in/iitmhostel/admission.do?method=userlogin>. IITM also runs a free bus service throughout the campus which you can avail for transportation.

Looking forward to meet you.

With Regards

Sankha Karmakar
