Subject: **Offer for Undergraduate Research Internship**

Dear Sneha,

It is my pleasure to offer you a research internship in the Mechanical Engineering department at IIT Madras for pursuing an undergraduate project, while reporting to me for the period of 06 January 2025 through 02 May 2025.

In this project you will be working on *multi-robot control and navigation algorithms*. The goals of the project include setting up benchmark multi-robot control simulations, which will be followed by experimental tests.

Please reach out to me for any more details.

Sincerely,

Anuj Kumar Tiwari
