Subject: Experimental Work on High Energy Absorbing Structures

Dear Sanjeev,

I hope all is well. I am writing to extend a warm invitation to you to visit Department of Aerospace Engineering at Indian Institute of Technology Madras, to enhance our ongoing research work related to novel structures for energy absorbing devices.

As part of our collaboration, I would like to invite you to visit IIT Madras (From 20th Feb 2024 to 19th May 2024) to conduct fabrication and experimental work. During your stay, we will provide you with the necessary facilities and equipment to carry out your work. Please note that this is a collaborative activity, and no stipend will be given for your visit.

I believe that this visit will provide an excellent opportunity for you to gain new insights and implement your research work. Our aim is to bring together the expertise of our institutions and make significant contributions to the field.

I look forward to hearing back from you soon.

Prashant Rawat
