Dear Tushar,

Your internship is confirmed from 1st June onwards.

Please note that during the internship program you will be provided with a workbench, however, you have to arrange your accommodation, transportation, medical facility and food on your own accord.

You can book IITM hostel facility using the link,
<https://hosteldine.iitm.ac.in/iitmhostel/admission.do?method=userlogin>

IITM also runs a free bus service
throughout the campus which you can avail for transportation.

Please treat this as the formal internship acceptance. Take a pdf of it and upload.

With Regards
Dr. Sankha Karmakar
